

A COLOURFUL WORLD

Need COLOURED products?

Look no further - the NEW state of the art coloured spray plant from Sash Windows allows all PVC-U products to be colour coated whatever the style, whatever the colour. With a choice of over 1000 RAL colour options, Sash brings you endless choice on every product style.

With a unique FREE OF CHARGE UK collection and delivery service, Sash Windows even removes the hassle of arranging independently for your products to be sprayed - they do it all for you.

Endless Possibilities:

- All Windows, Doors, Conservatories, Soffits, Fascias can be colour coated
- Choice of over 1000 RAL colour Options
- Full choice of Heritage colours for additional opportunities
- Fast turnaround on all products
- Highest quality AVCO paint process with 10 year guarantee
- UV stable with unique colour bonded application
- Free of Charge Collection and Delivery service on every product in the UK

Bring colour into your product range with Sash Windows.
