NEW RANGES NOW AVAILABLE!

At Sash Windows UK we specialise in the manufacture of vertical sliding sash windows, Bi folding doors, colour coating, and a wide variety of other PVCu products.

With over **70 years** experience in window fabrication and installation we offer industry-leading levels of satisfaction and value for money through excellence in customer service and consistent delivery of quality products.

All our windows and doors are manufactured in our own CNC driven production facility. The investment we are continually making into machinery enables us to provide all our customers with perfect consistency and quality to all our products first time every time.

*All windows manufactured are designed to meet the requirements of BS EN ISO 9001-2000.
